The popular fast selling

MAYCO® ROLLMASTER

Once tried—always used! That's why the nationally advertised Mayco Rollmaster is used by millions of people daily. The fingertip roll-up memo pad that lets you tear off any size note you desire—long or short. It saves paper, takes a standard size 3⅞″ adding machine roll, has the perfect writing angle and does not slide around while writing. Ideal next to a telephone in offices, work areas, and at home. Handy note storage compartment. Attractive, sturdy steel construction, in Dove Gray or Sandalwood Beige baked enamel finish. 9¼″ long, 4⅛″ wide, 3½″ high. Individually gift boxed. The Free Rollmaster display on your counter is a customer service for them to jot notes. Once tried, people will buy them.

Mayco Rollmasters are available in beautiful Dove Gray or Sandalwood Beige finish . . . $2.98 each retail. Deluxe Satin Chrome finish Rollmaster available at $5.95 each retail.
